Note: Consistent with national standards, new freshmen who begin in summer terms and are still enrolled the following fall are counted as fall term new freshmen. Applicants for Fall 2009 and beyond responded to a revised question about race/ethnicity on the application for admission. The revised question allows for multiple responses and includes a new category of "Native Hawaiian/Other Pacific Islander". The "primary value" method of aggregating to one reporting category (see [apa.wisc.edu/CLH/Race\\_and\\_Ethnic\\_Definitions.pdf](http://apa.wisc.edu/CLH/Race_and_Ethnic_Definitions.pdf)) is used here. Note: Consistent with national standards, new freshmen who begin in summer terms and are still enrolled the following fall are counted as fall term new freshmen. Applicants for Fall 2009 and beyond responded to a revised question about race/ethnicity on the application for admission. The revised question allows for multiple responses and includes a new category of "Native Hawaiian/Other Pacific Islander". The "primary value" method of aggregating to one reporting category (see [apa.wisc.edu/CLH/Race\\_and\\_Ethnic\\_Definitions.pdf](http://apa.wisc.edu/CLH/Race_and_Ethnic_Definitions.pdf)) is used here. The targeted minority category includes: African American, Southeast Asian (Vietnamese, Hmong, Laotian, Cambodian), Hispanic/Latino(a), and American Indian. The minority category includes all of the same students as targeted minority but adds the other Asian and Native Hawaiian/Pacific Islander students.
